Add an image to a news and events

Users can add an image and a thumbnail to illustrate a news/events item.

- the thumbnail (mandatory for news items) will appear in the news/events list on the MyUnil site and on the L'ACTU or L'AGENDA sites, as well as on the central UNIL site
- the main image will be placed at the very beginning of the content when viewed

Workflow step: Images / video

Image principale

Image principale (?)

Légende de l'image

[_____]

Modifier image   Supprimer

Image vignette (?)

Légende de l'image

[_____]

Utiliser la grande image   Modifier image   Supprimer

As with adding images to the content, it is essential to crop the image to the correct format before usage ([see here for cropping](#)).
