

Add classe files

Teachers and student assistants with a proxy for a course can at any time add documents to a course space

Select a course

The screenshot shows the Moodle interface with the following elements:

- Mes cours** (My courses) section on the left sidebar, containing a search bar and a list of courses. The course "cours de test en Ecole de Biologie" is highlighted with a red box and a red circle labeled "1".
- Documents de cours** (Course documents) tab selected at the top.
- Description** section on the right, showing course details like "Contenu", "Prérequis", "Evaluation", and "Bibliographie".
- Documents** section on the right, showing a file list. The "Télécharger document" (Download document) button is highlighted with a red box and a red circle labeled "2".
- File list** with columns: Titre, Date, and Actions. The "Documents de référence" directory is highlighted with a red box and a red circle labeled "3".

Titre	Date	Actions
> Documents de référence		[+] [Folder] [X] [File]
> Dossier Images		[+] [Folder] [X] [File]
> Séminaire		[+] [Folder] [X] [File]
> Séminaire.old		[+] [Folder] [X] [File]
> foobar1		[+] [Folder] [X] [File]
> junit		[+] [Folder] [X] [File]

1. Choose from the course list a course for which you want to add documents
2. Add a document or directory to the root of the document system in the selected course
3. Add a document or directory to the current directory

Add a class file

Mes cours Documents de cours Mes invitations

Mes cours

Premières lettre:

Droit bancaire

cours de test en Ecole de Biologie

cours de test en Ecole de Médecine

Cours avec un espace Moodle

Ajout d'un document

Chemin d'emplacement: /docs/groups/cours/cp-3

Titre: Mon document

Description: Description du document

Auteur: Paulo Monteiro

Fichier: newsunil_proposition.png

Mots-clés: BIOCHIMIE

Enregistrer Annuler

1. Enter document information
2. Download the file
3. Add the keywords. These keywords will be used to find them in the search for documents
4. Validate the addition of document
