

Add documents to news or events

When entering news, it is now possible to add documents directly in the news / event. The addition is done from the “Links / documents” workflow step.

Workflow step: Links / documents

Informations Content Images / video **Links / Documents** Visualization / Publication Share

Links / Documents Save Preview

Links	Link	Title	Description
	<input type="text" value="http://www.unil.ch"/>	<input type="text"/>	<input type="text"/>
	<input type="button" value="Add"/>		

Documents	File name *	File Type
	<input type="text"/>	<input type="text"/>
	<input type="button" value="Add"/>	

1. Add document button

For reasons of portability between different systems, **the only accepted format will be the PDF**. The maximum size allowed is **10Mb**.
