Relay news or events

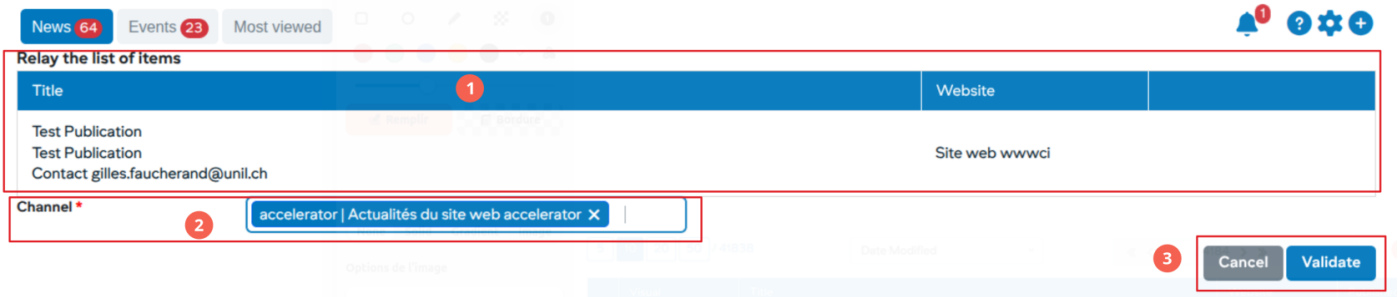

Any element can be relayed at any time by the user in a channel for which it has write rights.

News search to relay

1. Select the elements to be relayed
2. Choose the option “Relay”

Validation of the relay

1. List of elements to be relayed
2. Choose the channel (s) in which to relay the elements
3. Validate relays

After this step, the validated elements will be visible in the channels with an “R” status corresponding to the relay.
