

Sharing news and events

When entering a news / event, the user has the possibility to share his / her object:

1. Sharing on social networks
2. Share with another news channel of the UNIL

Input Workflow Step: Sharing

The screenshot shows the UNIL website interface. At the top left is the UNIL logo with the text "UNIL | Université de Lausanne". To the right, the date "mardi, 01 mars 2016" is displayed, along with links for "Donner un avis", "Aide", and "Contact". Below the logo are icons for "Quoi de neuf?", "Agenda", and "Mail". On the right side, there are icons for "Actualités", "Serval", and "Outils". A search bar with the placeholder "Rechercher dans l'UNIL..." is located in the top right. The main navigation bar includes "Informations", "Contenu", "Images/vidéo", "Liens/documents", "Visualisation/Publication", and "Partage". The "Partage" tab is selected. Below the navigation bar, the "Partage" section is visible. It includes a "Partager" button in the top right corner. On the left, there are social media icons for Facebook, Twitter, and LinkedIn. In the center, there is a section titled "Partage avec un canal UNIL" which contains a grid of buttons: "FTSR", "MYUNIL", "CENTRAL", and "HEC". A red circle with the number "1" is positioned to the right of this grid, indicating a step in the workflow.

1. Sharing news or events with another channel of the UNIL
