

Sharing news and events

When entering a news / event, the user has the possibility to share his / her object:

1. Sharing on social networks
2. Share with another news channel of the UNIL

Input Workflow Step: Sharing

The screenshot shows a workflow step titled 'Share'. At the top, there are several tabs: 'Informations', 'Content', 'Images / video', 'Links / Documents', 'Visualization / Publication', and 'Share'. The 'Share' tab is active. Below the tabs, there is a 'Share' section with a 'Sharing with a UNIL channel' label. A text input field contains the text 'aces' followed by a small 'x' icon. To the right of the input field is a question mark icon. A 'Preview' button is located to the right of the input field. A red box highlights the 'Share' section, and a red circle with the number '1' is positioned below the input field.

1. Sharing news or events with another channel of the UNIL
