

Subscribe to a new or event channel

Any member of the academic community may subscribe to news / events channels. The items published in these channels will then appear directly in the notifications of the “What’s New?” Application.

Preference Management

The screenshot displays the UNIL (Université de Lausanne) website interface. At the top, the UNIL logo is on the left, and the date "jeudi, 10 novembre 2016" and links "Donner un avis", "Aide", and "Contact" are on the right. Below the logo are icons for "Quoi de neuf?", "Calendrier", and "Mail". A search bar with the text "Rechercher dans les actualités" and a magnifying glass icon is present. To the right of the search bar are buttons for "Actualité/Événement" and "Serval". A dark blue navigation bar contains "Actualités 5" and "Événements 0". On the right side of this bar are icons for help, settings (highlighted with a red circle and a red "1"), and a plus sign. Below the navigation bar, there is a "Mes canaux" button with a dropdown arrow. To the right is a "Recherche libre..." search bar with a magnifying glass and a refresh icon. Below these are search filters: "Titre" (with a text input), "Auteur" (with a text input), "Date publication" (with a dropdown and a calendar icon), "Mots-clés" (with a text input and a placeholder "Choisir un mot-clé"), "Canal" (with a dropdown showing "HEC | ACUTALITES DU SITE WEB WWWHEC"), and "Publié" (with a checkbox). A blue upward arrow is at the bottom center.
