

Subscribe to an event feed from the calendar

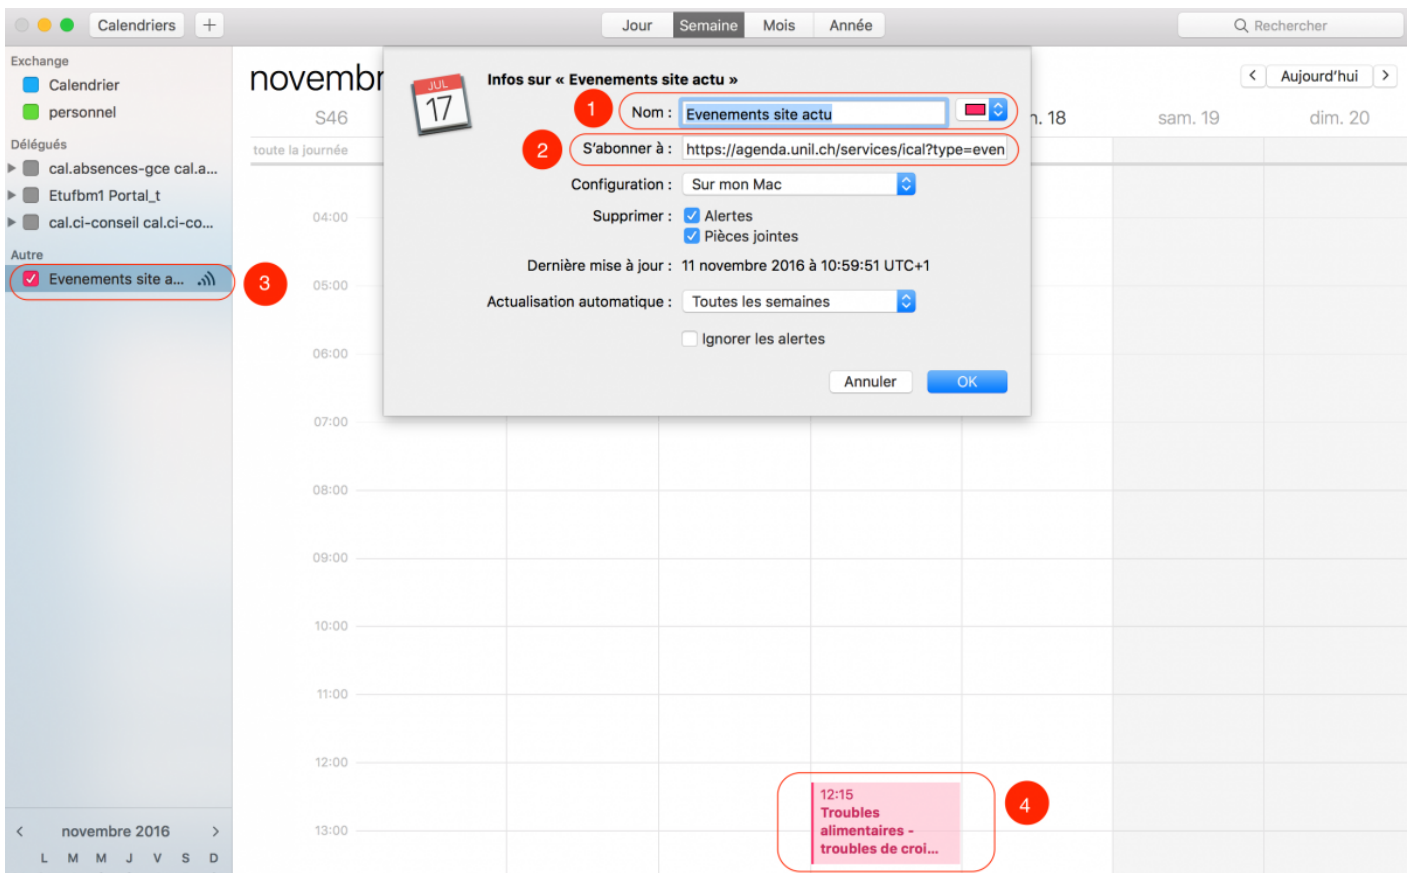

Users can subscribe to event streams and add them directly to their personal calendar.

Add a feed in its calendar

The screenshot shows the 'L'AGENDA' website interface. At the top, there is a navigation bar with the 'Unil' logo, the title 'L'AGENDA', and icons for 'L'Agenda', 'Recherche', 'Abonnement' (highlighted with a red box and a red circle with the number 1), and 'L'actu'. Below the navigation bar, there is a 'Génération de flux' button. The main content area contains a form with the following fields: 'Canal' (set to 'HEC | ACTUALITÉS DU SITE WEB WWWHEC'), 'Mots-clés' (placeholder 'Choisir un mot-clé'), 'Type d'événement' (placeholder 'Choisir un type'), and 'Début exportation' (set to 'Jun 30, 2017') and 'Fin exportation' (set to 'Jan 1, 2018'). Below the form, there are two output fields: 'Atom url: https://agenda.unil.ch/services/atom?type=events&channels=wwwhec&pageSize=2147483647&beginExport=30.06.2017&timeFrame=185' (highlighted with a red box and a red circle with the number 3) and 'iCal url: https://agenda.unil.ch/services/ical?type=events&channels=wwwhec&pageSize=2147483647&beginExport=30.06.2017&timeFrame=185' (highlighted with a red box and a red circle with the number 4). A red circle with the number 2 is also present next to the filter fields.

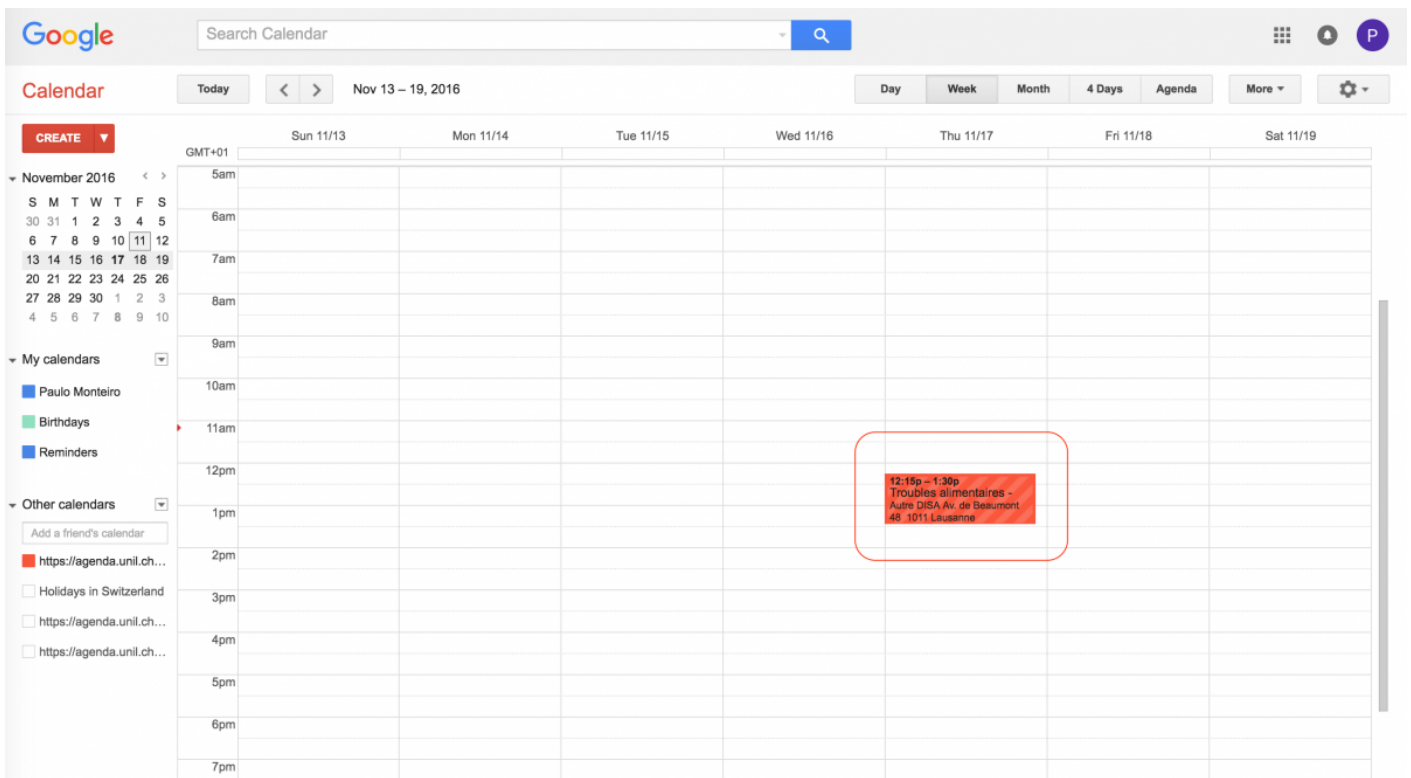

1. Go to the "Subscription" tab
2. Create your filter
3. The link on the atom feed
4. The link on the iCal feed
