Activer sa licence personnelle

1. Cliquer sur "Your ArcGIS organization's URL"

The screenshot shows the ArcGIS Sign In dialog box. At the top, it says "ArcGIS Pro wants to access your ArcGIS Online account information". Below this, the "Sign in" section features the Esri logo and a form with "ArcGIS login" as a header. The form includes fields for "Username" and "Password", a "Sign In" button, and a "Cancel" button. Below the buttons are links for "Forgot username?" and "Forgot password?". A red arrow points from the "Forgot password?" link to the "Your ArcGIS organization's URL" dropdown menu, which is highlighted with a red rectangle. At the bottom of the dialog, there is a checkbox for "Sign in automatically", a link for "Configure Licensing", and a "Sign In Using Browser" button.
