Main Page Navigation Guide | Intranet

The screenshot shows the UNIL Intranet Main Page. At the top, there is a header with the UNIL logo, navigation links (Mon compte, Tableau de bord, Calendrier, Mail), and a search bar. The date 'lundi, 18 novembre 2019' and links for 'Donner un avis', 'Aide', and 'Contact' are also present. A language selector shows 'English' and 'français'. Below the header, there is a section titled 'Informations sur les dernières modifications'. The main content area features a search bar with a dropdown menu, a search field, and a 'Partager' button. Below the search bar, there is a table with columns: Détails/Editer, Type/institution, Visuel, Référence, Visibilité, Modifié le, Liens, and Action. The table contains two rows of data. The first row is for a book chapter titled 'Victims' participation in the criminal justice system and its impact on peace building'. The second row is for an article titled 'Pratique ludo-communautaire et/ou production d'une performance sportive gay ? Approche sociohistorique de la natation et du volley-ball LGBT à Lausanne'. The table is sorted by 'Année' (Year) in descending order, with 1 item shown out of 2923. The table also has a 'Brouillon' (Draft) status and a 'Modifié le' (Modified on) date of 20/08/2019. The 'Action' column has a checkbox for each row.

1. Language Selection

2. Proposed search criteria, for example, publications with documents.

3. Search field. The *magnifying glass* button launches the search. The right button (circular arrow) resets the fields.

4. Generate a shareable link leading to the results of selected search criteria.

5. To Show/Hide advanced search, click on the surrounded icon.

6. You have the option to Sort your search based on various criteria (latest modification, relevance, year, etc.). Select the desired filter. The triangle on the right indicates the sorting order, which you can reverse by clicking on it. You can also choose the number of
