Main Page Navigation Guide | Intranet

The screenshot shows the UNIL Intranet main page. At the top left, there is a user profile icon labeled 'Mon compte' and the UNIL logo 'UNIL | Université de Lausanne'. Below these are icons for 'Tableau de bord', 'Calendrier', and 'Mail'. On the top right, the date 'lundi, 18 novembre 2019' is displayed, along with links for 'Donner un avis', 'Aide', and 'Contact'. A language selection dropdown is set to 'français', with 'English' also visible. A search bar is labeled 'Rechercher dans les actualités'. Below the search bar are icons for 'Actualité/Événement' and 'Serval'. A blue banner at the top reads 'Informations sur les dernières modifications'. Below this is an 'Admin' checkbox and icons for 'Aide', 'Saisir', and 'Importer'. The main search area features a dropdown menu for search criteria (1), a search input field (3), search and refresh buttons, and a 'Partager' button (4). Below the search area is a pagination bar with page numbers (5, 10, 20, 50 / 29228), a filter dropdown (5), and navigation arrows (6, 7). The main content area is a table with columns: 'Détails/Editer', 'Type/institution', 'Visuel', 'Référence', 'Visibilité', 'Modifié le', 'Liens', and 'Action' (9). The first row shows a book chapter titled 'Victims' participation in the criminal justice system...' with a 'Brouillon' status and a date of 20/08/2019. The second row shows an article titled 'Pratique ludo-communautaire et/ou production d'une performance sportive gay...' also with a 'Brouillon' status and a date of 20/08/2019. A callout (8) points to the 'Détails/Editer' icon in the first row, and another callout (9) points to the 'Action' column header.

1. **Language Selection**
2. **Proposed search criteria**, for example, publications with documents.
3. **Search field**. The *magnifying glass* button launches the search. The right button (circular arrow) resets the fields.
4. **Generate a shareable link** leading to the results of selected search criteria.
5. To **Show/Hide advanced search**, click on the surrounded icon.

6. You have the option to **Sort your search** based on various criteria (latest modification, relevance, year, etc.). Select the desired filter. The triangle on the right indicates the sorting order, which you can reverse by clicking on it. You can also choose the number of notices visible on the page.
 7. Perform actions such as **Exporting the results** of checked searches (see 9).
 8. Click on this icon to **Show/Hide details** about the publication and to **edit the notice**.
 9. **Select the publications** on which to perform an action (see 7).
