- 9. Show/Hide details: icon
- 10. Select publications: Action checkbox

Détails	Type/institution	Visuel	Référence
	Actes de conférence (partie) UNIL/CHUV		Predicting rates of displacement in continuously-moving mass movements: Application of a rainfall to displacements mobile transfer function Abellan A, Michoud C, Jaboyedoff M, Baillifard F, Carrea D, Derron M.-H. dans International Association Engineering Geology Conference, Turin. [serval.BIB_32A526A66588]
	Article Production externe		QUALIFICATION DE L'ESPACE PUBLIC, COMMERCE ET URBANISME DURABLE : PRODUCTION DE LA QUALITE URBAINE ET REGULATIONS COLLECTIVES. Alonso-Provencio Marta et da Cunha Antonio Revue Géographique de l'Est. Peer-reviewed. [serval.BIB_3E4070CBA844]

1. **Language Selection**
2. **Authenticate to enter notices and access content** reserved for the UNIL community.
3. **Proposed search criteria**, such as publications with documents.
4. **Search field**. The magnifying glass button initiates the search, while the circular arrow button resets the fields.
5. **Generate a shareable link** leading to the results of selected search criteria.
6. To **Show/Hide advanced search**, click on the enclosed icon.
7. You can **Sort your search** based on various criteria (latest modification, relevance, year, etc.). Select the desired filter. The triangle on the right indicates the sorting order, which you can reverse by clicking on it. You can also choose the number of notices visible on the page.
8. Perform actions such as **Exporting the results of selected searches** (see 10).
9. Click on this icon to **Show/Hide details** regarding the publication.
10. **Select publications** on which to perform an action (see 8).

Once authenticated, you can access the Intranet interface. A user guide for this interface is available [here](#).
