Linking your ORCID account with IRIS

Create an ORCID Account (if you haven't already)

1. Go to the official website: https://orcid.org
2. This will allow you to obtain a unique identifier through which your research contributions can be reliably tracked.

Access your researcher profile

Accessing Your Profile via the Login Menu

1. From the IRIS homepage, click on the login menu.
2. In the dropdown menu, select "My account and profile."
3. You'll be redirected to a page titled "Update Profile". Click on "View" to open the full version of your profile.

Accessing Your Profile via Search

1. From the IRIS homepage, click on "People."
2. In the search bar that appears, enter your name (a), then click "Search" (b).
3. Once the search is complete, your profile will appear in the results. Click on your name (c).

Open ORCID Settings

1. You are now on your researcher profile page.
2. Click on the three-dot icon to open the options menu.
3. Select "Open ORCID setting page."

Connect Your ORCID ID

1. On the "ORCID Authorizations" page, click on "Connect to ORCID ID."
2. A new ORCID page will open, asking you to enter your ORCID login information to authorize the link with IRIS.
